

# THREE YEAR EXTENDED WARRANTY KIT

## KIT INCLUDES:

- 1 Gallon Synthetic Oil ■
- 1 Quart Synthetic Oil ■
- 5-10 Air Intake Filters ■

## How It Works

Maintaining your compressor is an integral part in the longevity of your compressors life. Purchase this C-Aire Warranty Kit the same day you purchase your C-Aire Compressor and extend the warranty. Located inside the warranty kit is enough Air Intake Filters (recommended to be changed every six months) and Compressor Oil (recommended to be changed every 12 months) to maintain your compressor through the end of year three.

### Registering Your Warranty Kit

Make sure to register your compressor warranty within 10 days of purchase using the unique warranty code located inside this box. You can register this code by phone, fax or on our website. Once registration is complete, your compressors warranty will be extended to three years!
