

MAINTENANCE KITS FOR TWO-STAGE AIR COMPRESSORS

DOUBLE YOUR PUMP WARRANTY TO 4 YEARS!

MAT Industries Introduces an Extended Warranty Plan

How? It's Easy:

- 1. Purchase a 5, 7.5 or 10 HP two-stage air compressor manufactured by MAT Industries**
- 2. Purchase a corresponding MAT Maintenance kit within 30 days of the compressor purchase**
- 3. Save both receipts**
- 4. Follow and keep current the Preventive Maintenance Check List included in the maintenance kit**
- 5. The original sales receipts for the compressor and kit(s), along with the maintenance schedule will be required records for warranty validation.**

Additional kits may be necessary depending on the specific application and duty cycle of the compressor
