

MAXair PREMIUM

FEATURES

- Rugged compressor with cast iron cylinders
- "V" Style design minimizes vibration, improves cooling, and extends compressor life
- Individual and removable cylinders for smoother and cooler operation and easy maintenance
- 11 hp Honda GX340 manual/electric start engine
- Metal air filters with "Auto Drop" feature
- 30 gallon ASME registered tank, 200 PSI rating
- Easy view oil sight gauge
- High efficiency reed valves for maximum performance
- Efficient heat removal from fly wheel for cooler running and longer life
- Sturdy metal belt guard
- Heavy duty 3/4" ball valve included
- Engine idle control feature that reduces operating cost and unnecessary wear
- 2 year limited warranty
- Liquid filled pressure gauge
- Innovative Single Stage Technology that produces 170 PSI
- Convenient extended oil drain conveniently located ball valve on front of tank for draining moisture from tank
- Industry leading CFM production
