Warranty years shown in the tables are based on a machine being commissioned (start-up) before the three month shipment window passes. The standard bumper-to-bumper warranty period is 15 months from date of shipment to purchaser, or 1 year (12) months from date of initial start-up, whichever occurs first. All other warranty periods start based on the 15 months from shipment or 12 months from start-up date.

*Two years standard and additional three years extended warranty on internal dryer available on units shipped after 9/2016. On units shipped before 9/2016 internal dryer warranty is one year.
