

# CTS SERIES

5.5 HP 9 GALLON GAS DRIVE WHEELBARROW  
PORTABLE AIR COMPRESSOR

Designed for portable applications. With an air delivery of 11.8 @ 90 PSI, this compressor is vital for any construction site.

## FEATURES AND BENEFITS

### Cast-Iron Cylinder Oil-Lubricated Pump

Oil lubricated, cast iron pump for long lasting, reliable performance.

### 9 Gallon Wheelbarrow Tank Configuration

Wheelbarrow configuration allows for consistent pressure and is the preferred contractor design.

### Dual Quick Connects

Designed to allow more tools to run at the same time.

### Pressure Regulator

Allows for accurate air delivery with constant controlled outlet pressure for pneumatic tools.

### 5 HP Honda Gasoline Engine

Designed for portable power for on-site applications such as construction sites.

Length: 49.7 in

Width: 20.6 in

Height: 24.8 in
