

# CTS SERIES

ELECTRIC WHEELBARROW PORTABLE  
AIR COMPRESSOR

Designed for portable applications. With an air delivery of 5.5 @ 90 PSI, this compressor is vital for any construction site.

## FEATURES AND BENEFITS

### Cast-Iron Four Cylinder Pump

Oil lubricated, cast iron pump for long lasting, reliable performance.

### 9 Gallon Wheelbarrow Tank Configuration

Wheelbarrow configuration allows for consistent pressure and is the preferred contractor design

### 2HP Motor with Overload Protection

Plugs into a standard 120-volt household outlet. No special motor starter required.

### Dual Quick Connects

Designed to allow more tools to run at the same time.

### Pressure Regulator

Allows for accurate air delivery with constant controlled outlet pressure for penumatic tools.

Length: 49.7 in

Width: 20.6 in

Height: 24.8 in
