

8 Gallon Wheelbarrow – Cast Iron – Oil Lubricated

FEATURES & BENEFITS

- Cast iron twin cylinder pump features
 - Thermally stable cast iron cylinder body
 - Aluminum head and valve plate
 - Automotive style ball bearings
 - Durable Swedish stainless steel reed valves
 - Oil level sight glass
 - Easily accessible oil fill
 - 12" cast iron balanced flywheel
- Heavy duty, dual voltage induction motor is wired for standard 120 volt, can be converted to 240 volt
- 155 PSI max pressure for optimum tool performance
- **Dual control valve allows continuous operation or start/stop operation**
- **Includes manifold assembly equipped with high flow regulator, tool & tank pressure gauges, and quick coupler for air hose line**
- Center mount, flat-free tire moves easily over rough terrain
- Braided steel transfer tube allows greater flexibility preventing unwanted leaks
- Shipped with synthetic blend air compressor oil for optimum performance and long life
- Supported by our Toll Free Customer Help Line

MODEL SPECIFICATIONS

| | |
|-------------------|---------------------------------------|
| Tank Size: | Two - 4 Gallon |
| Maximum Pressure: | 155 PSI |
| CFM @ 40 PSI: | 7.0 |
| CFM @ 90 PSI: | 5.7 |
| Voltage: | 120/240 Dual Voltage |
| Running HP: | 1.9 |
| Certifications: | UL & CSA |
| Limited Warranty: | 2 Year Pump 1 year all other parts |
